Hi Josh – Here are some suggested edits to the Riverside Proposed Plan presentation. Please review and let me know. I still need to clean up the maps and photographs, but we can do that step once the order of the slides stop changing. One thought – please let me know if you would like your photograph on the Who's Who at EPA slide.

Changes included:

- Removed map of Passaic River. Amy Atamian revised the community map to show more Passaic River.
- Reorganized site history.
- Included statement about reclaimed land and statement about future use
- Fixed the slide on the 15 companies (I wanted to include all the companies/PRPs)
- Fixed wording of media to match Proposed Plan
- Made on the small edits
- I added a comparison table for Waste and Sewer, but I was concern about the length of the presentation and overwhelming the public with comparison tables.
- Added slides on RI and risk.

Let me know what you think,

Regards

AM
